

I-5/ORTEGA HIGHWAY INTERCHANGE IMPROVEMENT PROJECT

Sunday, June 14 - Saturday, June 20, 2015

CONSTRUCTION HIGHLIGHTS

Falsework Scheduled For Removal

Crews are set to remove the falsework for the new bridge in late June and early July. Also, look for geofoam blocks to be placed in the coming weeks along the new retaining wall being built for the southbound I-5 off-ramp. Geofoam is a lightweight, rigid foam plastic used as fill for the ramp, taking the place of dirt, which requires time to compact.

Work continues on the north side of the Ortega Highway bridge after a successful deck pour at the end of May.

Upcoming Construction Alerts

As we near the end of the project, the need for nighttime closures has begun to decline because, with a few remaining exceptions, most of the work can be completed safely behind k-rail. Construction alerts will be sent intermittently on an as-needed basis.

Closure and detour information will continue to be updated in real time on our project Google Map, which can be found at octa.net/Ortega.

CLOSURES, LANE REDUCTIONS

Regularly scheduled nighttime closure(s) from Sunday, June 14, to Saturday, June 20, include:

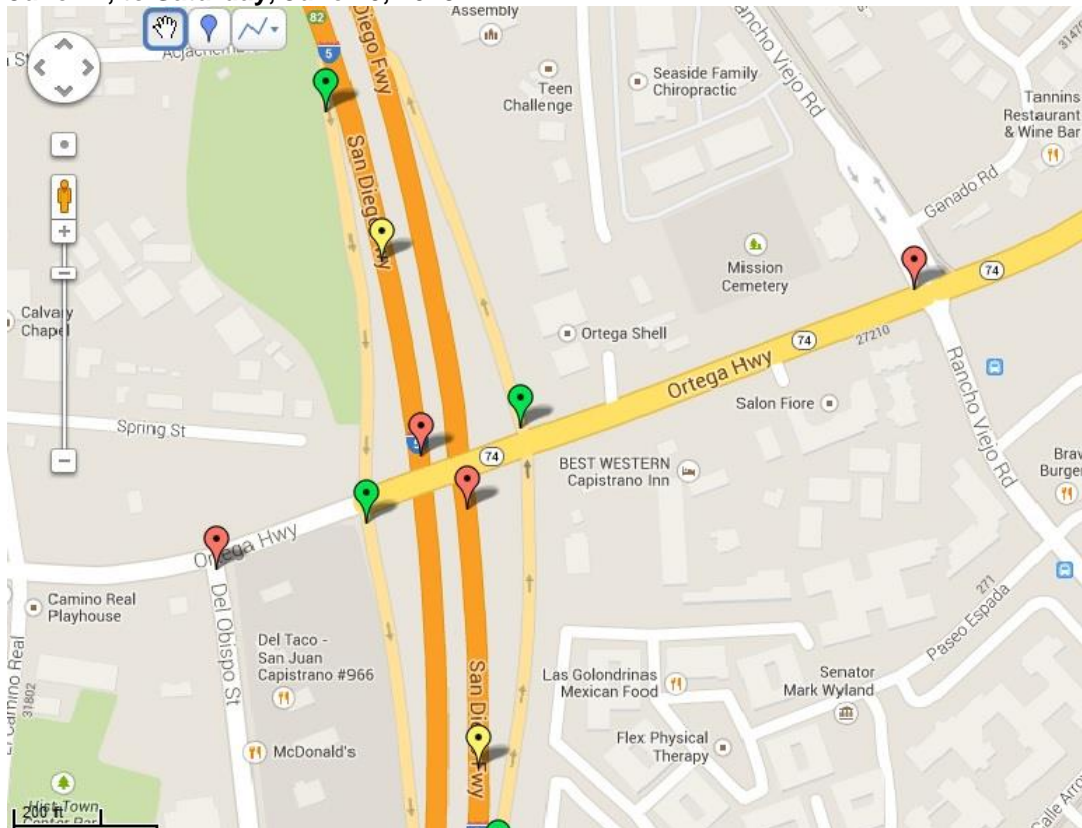

Ortega Highway Ramp Closures

- **Southbound I-5 off-ramp**
 - Sunday to Thursday from 11 p.m. to 5 a.m.

I-5 Freeway & Ortega Highway Lane Reductions

- **Southbound I-5 between Junipero Serra Road and Camino Capistrano**
 - Sunday to Thursday from 10 p.m. to 5 a.m.

Click on the map below to see the full schedule of nightly closures and detours planned on the I-5 / Ortega Highway Interchange Improvement Project from Sunday, June 14, to Saturday, June 20, 2015.

DISCLAIMER: Please be advised, these dates and times are subject to change due to unforeseen operational factors or inclement weather.

NEIGHBORING PROJECTS

I-5 South County Improvement Project

Avenida Pico to San Juan Creek Road

Construction is underway on the I-5 South County Improvements Project. The 5.7-mile project will add a carpool lane in both directions on the I-5 freeway between Avenida Pico and San Juan Creek Road and reconstruct the interchange at Avenida Pico.

For additional information about the project, visit www.octa.net/I-5Pico, and to view closure and detour information, [click here](#).

I-5 Ocean View Rehab Project

The Ocean View Rehab Project kicked off construction in October in San Diego County. The \$37.3 million project will replace the damaged concrete pavement slabs of the slow lane in each direction of the I-5 freeway between Oceanside and the San Diego / Orange County Line.

Motorists should expect delays during work hours and check Caltrans Quick Map at quickmap.dot.ca.gov for the latest freeway traffic information before leaving home. For additional information, please view the [project fact sheet](#).
